Subject: Intent to Recruit New Chief of Police

Dear Sheriff Cole-Tindall:

This letter is to inform you of my decision to seek a new Chief of Police for the City of Burien.

I can no longer state that I trust Chief Boe to fulfill the requirements listed within the Interlocal Agreement (i.e. the conditions listed under Exhibit C, Section B, Paragraph 3, Subparagraphs (c) and (f)) between the City of Burien and King County. More specifically, efforts to address specific issues of concern within the City of Burien have led me to determine that Chief Boe's actions no longer represent the City of Burien best interests, vision, and goals, in a manner that supports trust between the City and King County Sheriff's Office.

Please let me know at your earliest convenience with whom from your staff I should work with to commence the recruitment process.

Thank you in advance for your assistance in this matter.

Sincerely,

Adolfo Bailon
City Manager
